**(A)** Thanksgiving Day falls on the fourth Thursday of November every year. It's an important holiday for Americans. Family get together and have a big dinner on that day.

This year, an old man in Florida called his daughter and said, "I want to get a divorce with your mom." "Are you insane? What are you saying?" his daughter shouted. The father said, "We thinks 40 years of marriage is enough. We both are tired of seeing each other every day. And I don't want to talk about it now, so call your brother in New York and let him know." Then the daughter called her brother and told him the news. "No way! No way! "shouted the brother. "This can NOT happen. I will handle this and call you back." He then called his father and said, "You two can't get a divorce. We are going home tomorrow morning and work this out together. Don't do anything <u>44.</u>. Do you hear me? Don't do anything!" The father put the phone back and said to his wife, "It's all arranged, dear. Our children will be home for Thanksgiving and they are buying their own plane tickets. Now let's get things ready for the big dinner tomorrow."

**(B)** Long time ago, Zeus had a party, but he didn't invite the goddess, Eris, because she always made trouble. She was very angry at this, so she threw a golden apple into the party, with a note on it, "FOR THE MOST BEAUTIFUL." Three goddesses <u>claimed</u> the apple, Hera, Athena, and Aphrodite. They came to Zeus and asked him to pick the most beautiful one. Not wanting to get into trouble, Zeus gave the task to Paris of Troy. Because all of the three wanted the golden apple, they gave Paris a gift as a bribe for the apple. Hera offered to make him the king of Europe and Asia. Athena offered him wisdom and skill in battle. And Aphrodite offered him the most beautiful woman as a wife, Helen of Sparta, who was already a wife of Menelaus. Finally, Paris made a decision and it caused the Trojan War, which destroyed him and his
